

Can you imagine being a kid separated from your family, not waking up in your own bed, not having presents to open during the holidays?

Can you imagine what it must feel like to enter foster care during the holidays, feeling alone, scared, and unloved?

***Every year, thousands of foster kids face that reality every holiday season.***

By sponsoring our Holiday Toy Shop, you have a unique opportunity to bring immeasurable joy and excitement into the lives of these deserving kids, making their holiday season truly special. Your sponsorship dollars will go directly to helping us purchase gifts for foster kids of all ages, so they have presents to open, letting them know someone cares for and remembers them this holiday season.
